What: **CPESC Exam Review Course and CPESC Exam**

When: **March 26 and 27, 2008**

Where: **GuestHouse Inn, Clanton, Alabama**

Time: **8:30 AM - 4:30 PM**

The Alabama Chapter of the Soil and Water Conservation Society invites potential CPESCs to participate in the Certified Professional in Erosion and Sediment Control (CPESC) Exam Review Course to prepare for the exam.

Although anyone interested in erosion and sediment control may take the course, **you must have cleared the application process through CPESC, Inc. before taking the exam.**

"In-Training" candidates may take only Part I of this exam.

The next offering of the course and exam will probably be August 2008.

Information about the course and course instructor

The course is provided as a public service by the Alabama Chapter of the Soil and Water Conservation Society under the guidelines of CPESC, Inc.. The course helps qualified CPESC applicants review information related to the exam that they should already know or learn. Also, existing CPESCs may take the course for continuing education credit.

The course instructor is Earl Norton, a natural resources consultant and a long-time CPESC. He is an active member of the Soil and Water Conservation Society (SWCS) and the International Erosion Control Association (IECA).
